La AFD se reserva el derecho de adoptar cualquier acción apropiada con el fin de asegurar el cumplimiento de estas reglas de ética, en particular el derecho a:

a) Rechazar la propuesta de adjudicación de un contrato si establece que el oferente o consultor recomendado para ser adjudicado es culpable de un Acto de Corrupción directamente o a través de un agente o ha participado en Fraude o Prácticas Anticompetitivas con el fin de obtener beneficios;

b) Declarar la adquisición viciada y ejercer sus derechos conforme a las estipulaciones del Contrato de Financiamiento relativas al pago anticipado del financiamiento o su rescisión, según sea el caso, si en un momento dado determina que el Beneficiario o sus representantes participaron en Actos de Corrupción, Fraude o Prácticas Anticompetitivas durante el proceso de adquisiciones o la ejecución del contrato, sin que el Beneficiario haya tomado las medidas necesarias para remediar la situación a su debido tiempo y a satisfacción de la AFD (salvo estipulación contraria en el Convenio de Financiamiento), incluso por no informar a la AFD cuando se enteró de tales prácticas.

#### **CLÁUSULA DÉCIMA SEXTA.- SOLUCIÓN DE CONTROVERSIAS**

En caso de suscitarse divergencias o controversias respecto del cumplimiento de las obligaciones pactadas o sobre la interpretación de las estipulaciones del presente contrato, las partes tratarán de solucionarlas directamente.

El MINEDUC recurrirá de preferencia a los métodos alternativos de resolución de conflictos. La AFD no deberá ser designada como árbitro, ni ser invitada a designar a uno.

Las estipulaciones sobre resolución de litigios deben incluir mecanismos previos de conciliación o de mediación con el fin de acelerar su solución, evitando, cuando no sean requeridos por las reglamentaciones aplicables, los modos alternativos de resolución de litigios que hagan intervenir a autoridades supervisoras del MINEDUC.

Si se presenta una controversia entre el Contratante y el Prestador de Servicios en relación con el Contrato o la prestación de los servicios, o derivada de ellos, ya sea durante la realización de los servicios o una vez finalizados, al asunto se derivará al conciliador dentro de los 14 días de recibida la notificación de desacuerdo de una parte hacia la otra.

El conciliador presentará su decisión por escrito dentro de los 28 días de recibida la notificación de controversia.

#### **CLÁUSULA DÉCIMA SÉPTIMA: COMUNICACIONES ENTRE LAS PARTES**

Todas las comunicaciones, sin excepción, entre las partes, relativas a los trabajos, serán formuladas por escrito o por medios electrónicos y en idioma español. Las comunicaciones entre el administrador del contrato y el contratista se harán a través de documentos escritos o por medios electrónicos.
