

Architectural section drawing of the 'Casa de la Memoria' showing a symmetrical layout. The drawing includes floor levels (N+0.00, N+0.15, N+2.07, N+4.00, N+7.90), room labels (SSHH MUJERES, BODEGA, HALL, TERRAZA INACCESIBLE IMPERMEABILIZADA), and various dimensions. A person is shown on the central staircase for scale.

Architectural elevation drawing of the 'Edificio de la Universidad'. The drawing shows a symmetrical facade with a central entrance area featuring a staircase and a small figure of a person. Above the entrance is a bridge-like structure with a curved roof supported by columns. The facade includes several windows and doors with specific dimensions. A callout points to a 'BARREDERA DE CERÁMICA h=10cm' at the base of the building. The drawing is labeled with various dimensions in meters (m) and includes a scale bar at the bottom right.
