

**COMEDOR- SALON DE USO MULTIPLE**

The floor plan illustrates a multi-functional dining and social space. It features a central corridor providing access to various rooms. The kitchen area is equipped with modern appliances, and the service area includes a long counter with multiple stations. Restrooms and a locker room are conveniently located for users. The seating arrangement consists of numerous small tables and chairs, suitable for both individual and group dining. The plan also highlights specific points of interest (CDM-PT-01 to CDM-PT-08) and connections to other parts of the building via dashed lines.
